## **Notice Regarding Long Distance Telephone Service**

November 1, 2010

This notice is to inform you that Redwood Tel Acquisition, Inc., a wholly-owned subsidiary of Arvig Enterprises, Inc., doing business as Arvig Communication Systems ("ACS"), is in the process of acquiring Redwood Long Distance Company ("Redwood LD"). Following the closing on this transaction, you will receive your long distance telephone service from ACS, which will continue to provide service to you under the name "Redwood Long Distance Company."

This transaction is expected to be completed by December 1, 2010. Your first bill after the transfer will notify you that the transfer occurred as of a specific date. You will not be charged any fees or costs for this transfer to ACS. ACS will be responsible for any change charges associated with the transfer.

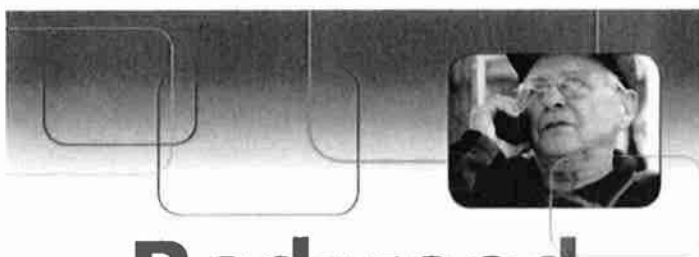

The terms and conditions of the service you receive will not change as a result of the transfer to ACS. Your rates for service will not increase as a result of this transfer. The rates, terms and conditions for your long distance or 800 number services are included on a separate sheet with this notice. By using these services, you are agreeing to the terms and conditions, as they may be modified from time to time as posted on ACS' web site at [www.arvig.com](http://www.arvig.com) and on file with the Minnesota Department of Commerce.

You may choose to change your long distance service provider. In order to switch providers, you must contact your service provider of choice and request that your service be switched to that provider. You may be assessed a fee to change your long distance service to that provider and you will be responsible for paying that fee.

All customers receiving this notice, even those who have arranged preferred carrier freezes through Redwood Tel., will be transferred unless you select a different carrier before the transfer to ACS has occurred. In addition, any existing preferred carrier freezes you may have on long distance service will be lifted. If you would like to be reinstated after your transfer to ACS for long distance service, you must request a new freeze at that time. You may do this by calling the toll free number listed below for ACS after the transfer has occurred.

ACS will be responsible for handling and responding to any complaints filed or otherwise raised, during the transition period prior to and during the transfer to ACS. If you have any questions or concerns about the transfer of your long distance service, or any other matters, please call ACS toll free at 1-877-509-6925.

***Thank you for your understanding in this matter. We look forward to providing you with quality long distance service.***
